

**Please submit as a Word document, not a PDF.**

|   |               |
|---|---------------|
| <b>Name of Working Group:</b>                                 |               |
| <b>Name of Corresponding Author:</b>                          |               |
| <b>Membership</b> (indicate one and add number if applicable) | <b>Number</b> |
| ICOM Member   |               |
| ICOM-CC Voting Member   |               |
| ICOM-CC Friend or Student Friend                              |               |
| Non-member  | -----         |

Consult the ICOM-CC website ([www.icom-cc.org](http://www.icom-cc.org)) to find the most relevant Working Group in which to present your work.

Author for correspondence. **Note: This author must set up/be named on the account on the Preprints platform.**

If the main author is not an ICOM/ICOM-CC member or a Friend/Student Friend of ICOM-CC, please indicate if another author is, and provide:

| name | membership category | number |
|------|---------------------|--------|
|      |                     |        |

Abstracts without this information cannot be accepted.

Membership in ICOM/ICOM-CC is not obligatory.

*For more information on membership issues, please contact the ICOM-CC Secretariat [secretariat@icom-cc.org](mailto:secretariat@icom-cc.org).*

## **ABSTRACT**

### **Poster title**

### **Author/s**

First and last name

Institution

City/country

Email

(\*Author for correspondence).

### **Main body of text**

Maximum of 500 words **in one continuous paragraph in narrative form.**

### **Illustrations**

Give a brief description (type and number) of the illustrations that will be included in your poster. **Do not submit illustrations with the abstract.**

### **Role of authors**

Authors' names and contribution made by each individual (see Call for Posters). This does not refer to author/co-author but to specific role in the work.

## **NAMING YOUR FILE**

**Please use a unique, identifiable name for your electronic file, for example:**

Poster\_Author's last name\_Working Group [Poster\_Smith\_Metals]

Working Group names may be abbreviated in the file name, e.g., PrevCon
